Description

Application to access SOMAR data through Controlled Download

Thank you for using the SOMAR Data Applications Platform! Before applying, you are strongly encouraged to download and review the [SOMAR InfoReady Application Guide for Controlled Download Data](#) to prepare responses and documentation for all the required elements. Doing so will help move your application along more smoothly.

When ready, please complete all the required steps to submit your application successfully. Please note that incomplete applications will be returned for further information or edits.

Please do not hesitate to contact somar-help@umich.edu for assistance!
